

2 Long House Yard

2 Long House Yard is a quaint, grade two listed property situated in the heart of the beautiful coastal village of Cley-next-the-Sea in North Norfolk. Perfect for couples or small families, this cottage sits in a quiet spot through an archway just a short walk away from Picnic Fayre, Cley Smokehouse, Cley windmill and the salt-marshes.

The front door opens into an entrance hallway, complete with bench and coat hooks, off which is a downstairs bathroom with a shower over the bath. The hallway leads through into the well-equipped kitchen, with everything the holiday chef could need for a self-catering holiday, including an integrated oven and halogen hob, microwave, four-piece toaster, integrated fridge with freezer box, an integrated Lamona washing machine and a dining table which comfortably seats 4 guests.

The sitting room is a cosy, spacious room including a large and comfy corner sofa and a window seat. The focal point of this room is the gorgeous open fire within a feature brick mantle making this the perfect cosy space to relax in after a bracing winter walk across the marshes! There is also a smart TV with built-in DVD player and a large mirror.

Up the traditional 'Norfolk winder' staircase, you'll find two bedrooms. The master bedroom has a comfortable king-size bed with full-length mirror and views across pan-tiled rooftops.

The second bedroom is a bunk room, which is perfect for children and features a tee-pee, comfy child's chair and plenty of toys and books, all provided by the owner.

There is shared storage space for both the master and bunk-room which can be found along the corridor between the two bedrooms.

Outside there is a small enclosed courtyard with metal bistro table and chairs that comfortably seat 4. 2 Long House Yard sits in a perfect location in Cley-next-the-Sea to allow guests to explore the surrounding Area of Outstanding Natural Beauty.
