

Jib Cottage

Situated right in the heart of the coastal village of Blakeney in North Norfolk, Jib Cottage is one of our smallest but sweetest romantic retreats. Ideal for couples to use as a base to explore the coast, the cottage is just a short stroll from The Quay and all the village amenities.

Jib Cottage has been decorated with a fresh coastal theme throughout. The front door opens from a gravel entrance lobe into the good-sized sitting room, which has a leather two-seater sofa and armchair, electric fire, 24" Smart TV with Freeview, DVD player, CD player and a selection of games and DVDs for cosy evenings in! Two steps lead up to the little kitchen and true to the cottages nautical name, the kitchen is kitted out just like a galley on a boat! The clever owner has made the most of this narrow area and has provided all the equipment needed to rustle up a simple home cooked meal. There is a Morphy Richards mini oven, mini fridge, microwave and kettle. There is no dining table at Jib Cottage.

A narrow staircase leads up to the first floor where there is a pretty bedroom with comfortable double bed and a shower room with a pebble floored wet-room style shower, w.c. and wash basin.

The coastal village of Blakeney is one of the most enchanting on the North Norfolk Coast with its magnificent landscape of marshes, creeks, mud banks and fascinating bird activity. Blakeney and the neighbouring village of Morston run regular boat trips out to Blakeney Point to see the seal colonies which are extremely popular with both locals and visitors to the area. For those who prefer to eat out on their holidays, gastro pub 'The White Horse', the traditional Kings Arms pub and The Moorings restaurant are all within a stone's throw of Jib Cottage. With its charming interior and fantastic location, Jib Cottage is the perfect romantic retreat for couples looking to explore the wonderful North Norfolk coastline.

A parking pass is provided for the local Harbour Rooms car park which is approx 2 minutes walk from the cottage.
