

Rafters

If you're looking for a relaxing coastal holiday in North Norfolk, Rafters is the perfect choice for couples on a romantic week away. This contemporary holiday cottage in the heart of Salthouse village offers stunning sea views.

A Holiday Cottage with Rustic Charm

You'll feel right at home in this cosy barn conversion. The exterior maintains a beguiling flint and brick style, while the inside has been modernised with all the comforts of the 21st Century.

The living room and kitchen are large and spacious, split across two levels that reach high up to the rafters. Light, subtly coloured walls really help to open the space out.

In the kitchen you'll find all the amenities you need for cooking a hearty meal, including a stainless steel oven, microwave and larder fridge with ice box. There's also a dining table so you can enjoy dinner or your morning coffee and conversation together.

The chic sitting room features an electric fire to keep you warm on those chilly nights in. French doors lead out onto the garden, providing plenty of natural light. And you won't be stuck for entertainment. We've provided a flat screen TV with Freeview and DVD player too.

Down the hall is the comfortable double bedroom with its handy walk-in shower.

Private Gardens

On warm afternoons, nothing is more relaxing than sitting in the garden with a drink and good company. We've provided garden furniture so you can soak up the sun during the summer months. Or why not try some al-fresco cooking using the BBQ?

Rafters cottage comes with private, off-road parking suitable for one car. Take a drive to Salthouse to see what the village has to offer, then head back for an evening in front of the TV in this beautiful, modern holiday cottage.

From the moment you arrive at this delightful North Norfolk property, you'll feel like you've arrived at a second home.
