

## 1 Legion Cottages

1 Legion Cottages offers superb two bedroom accommodation just off the High Street in Blakeney. 1 Legion is a very high quality newly built cottage using the traditional brick and flint technique. It benefits from private, designated, off road parking in the Royal British Legion car park and has a good sized garden overlooking the Bowling Green.

Inside the cottage has a wonderful open plan layout with a very well equipped kitchen that includes a large fridge-freezer, stainless steel electric fan oven with halogen hob, dishwasher, washing machine and microwave. There is a good sized dining table and a comfortable sitting area with a stylish modern gas fire place at its centre. This fire is extremely efficient and can heat the whole house with no problem, there is also oil fired central heating.

Both bedrooms are a good size and have double beds with tempur mattresses. Both have en-suite bathrooms, one is a large shower room and the other is bathroom with shower above bath and both have distant sea views.

1 Legion Cottage has a beautiful patio area with outside seating and a small border of lawn.
