

Jesmond

We are delighted to be able to offer our guests Jesmond, a wonderful unique property in the heart of Cley village. Tucked away in a quiet lane away from the bustle of the village centre, Jesmond benefits from ample parking and a large private, tree lined garden with fields beyond.

Jesmond has been recently renovated to a high standard with extremely light modern interiors, huge windows taking advantage of the gardens, and pale oak floors throughout adding to the coastal feel. Excellent central heating plus wood burning stove make it suitable for year round holidays. The entrance hall with useful coat hooks and basket for shoes and boots leads to the large open plan living area. The glossy white newly fitted kitchen is well equipped with Bosch Double oven and halogen hob, dishwasher and fridge and freezer, all integrated plus freestanding microwave . A separate utility cupboard off the hall houses a washing machine. The kitchen is separated from the dining area with a run of units and the dining table seats eight.

The sitting area has two comfortable sofas arranged around the wood burning stove and the kind owners have left a selection of books and DVDs for their guest to enjoy on quiet evenings in. The enormous double glazed ' floor to ceiling windows' in this area are left un-curtained to continue the clean modern lines of the room.

Also on the ground floor are two bedrooms, a double with enormous window to the front with privacy blind, and a twin and also a bathroom with shower above the bath, washbasin and wc. There is also a separate cloakroom with wc and washbasin next to the bathroom.

Modern open plan stairs lead to the first floor bedroom where there is another double and single bed. Although there is extra sleeping accommodation, please note that Jesmond only accepts a maximum of 6 guests.

With its great position in the beautiful conservation village of Cley next the Sea, parking and a garden, we are sure Jesmond will become a firm favourite with our regular visitors.
