

Jolly Boat

Situated in the heart of Blakeney, Jolly Boat is a perfect romantic retreat for couples. The local village delicatessen is only a short stroll away for those fresh, breakfast croissants, and the White Horse 'gastropub' and The Moorings restaurant are a short stroll on your way down to the pretty Quay. This cottage is a lovely base to get away from it all for a well-deserved break!

The downstairs area at Jolly Boat offers a double height, open plan kitchen and living space. The kitchen is a good size, with an island providing a dining area and additional storage. There is an electric fan oven, dishwasher and fridge with ice box.

The sitting room has a comfortable sofa, with a 40" Smart TV with Netflix, a DVD player and electric fire. The owners kindly provide a selection of books, CDs, DVDs and board games.

Wooden stairs led to the first floor and the master en-suite bedroom. The bedroom offers comfortable sleeping accommodation, with a double bed and clothes storage. The glass arched doorway leads to the en-suite shower room with walk in shower, W.C. and basin. Please note that the shower has a sloping ceiling above, which taller guests may find slightly restrictive.

Jolly Boat has space for two chairs on the loke, perfect for sitting in the evening sunshine enjoying a glass of wine after a day of exploring all that North Norfolk has to offer.

Please note that Jolly Boat does not currently provide Wi-fi, however this should be sorted by the middle of July
