

Kingfisher Cottage

Kingfisher cottage is comfy, cosy and welcoming. It is situated in Cley next the Sea which is on the coastal road, just less than a mile from Blakeney. Cley is famous for its windmill, bird watching, superb delicatessen and smokehouse!

Kingfisher Cottage offers a large well equipped kitchen/dining room complete with AGA (there is a separate electric oven and hob aswell)! This room has been decorated with cheerful checks and has a delightful French farmhouse feel. It is very spacious and perfect for hearty breakfasts before a day out on the beach or a breathtaking walk on the famous salt marshes. There is a good sized sitting room with comfortable soft furnishings surrounding the gas fire and LCD TV with FreeSat and DVD. This room has a wonderful selection of books and board games for quiet nights in as well as an ipod compatible, state of the art multi room audio system.

Off the sitting room down a short corridor is the refurbished ground floor king sized bedroom which has an en-suite shower room. Also on the ground floor is a large twin room, the handy utility and a newly fitted shower room.

Upstairs, there is another good sized twin room with its own LCD TV, a children's room with bunk beds and a family bathroom. The cottage can accommodate a family of eight in total. The property has views across Cley marshes from certain rooms and has parking for 2 cars to the side. There is a little suntrap, enclosed courtyard; perfect for relaxing with a good book, gin and tonic or dining al fresco!

Kingfisher Cottage offers a really good location for exploring the beautiful North Norfolk coast and has proven to be a popular retreat for our guests.
