

Little Turnstones

Little Turnstones is a perfect bolthole in Blakeney for couples and guests travelling by themselves. Situated on back lane, it's just a short walk from Blakeney Quay and all the amenities Blakeney has to offer. The owners have thoughtfully decorated the property to create a light and airy space for our guests.

The sitting room and kitchenette offers open-plan accommodation, with a comfortable sofa, 32" Smart television and a small dining table. There is an integrated fridge with ice box, combination microwave/oven, induction hob, washing machine and integrated dishwasher. The owners of Little Turnstones have cleverly fitted all of the above to ensure that guests have everything they may need during their stay.

The bedroom at Little Turnstones has a comfortable double bed, with a bluetooth radio, clothes storage and en-suite shower room.

The patio garden at Little Turnstones offers a wooden bistro set for outside seating, with parasol and charcoal BBQ and beautiful views in to the flower beds and the owners garden beyond. There is private parking for one car on the driveway.

The coastal village of Blakeney is one of the most enchanting on the North Norfolk Coast with its magnificent landscape of marshes, creeks, mud banks and fascinating bird activity. Blakeney and the neighbouring village of Morston run regular boat trips out to Blakeney Point to see the seal colonies which are extremely popular with both locals and visitors to the area. For those who prefer to eat out on their holidays, gastro pub The White Horse and The Moorings restaurant are all within a stone's throw of Little Turnstones. With its charming interior and fantastic location, Little Turnstones is the perfect romantic retreat for couples looking to explore the wonderful North Norfolk coastline.

Please note that Little Turnstones is an annexe to the main house, with a self contained entrance.
