

Starlight Cottage

Starlight Cottage is a luxurious house beautifully situated in the pretty village of Langham which is just one mile from the coastal path at Blakeney and Morston. Langham offers a quiet retreat in North Norfolk, just a short drive from Blakeney and the coastal road which leads you to the Coastal villages along the Norfolk Coastline.

Starlight Cottage has recently been refurbished to a very high standard and offers a perfect holiday base for our guests. The accommodation is set out over two floors with two kingsize bedrooms on the ground floor and the living space on the first floor, which allows the property to take advantage of the beautiful views across the garden to Langham church.

On entry, you will find a good sized hallway with flagstone floors. On the ground floor are two kingsize en-suite bedrooms, a utility room with a washing machine and tumble dryer and a family bathroom. There is also a bedroom with a large sing bed which can be booked on occasion by prior arrangement.

The larger bedrooms of the two offers a kingsize bed, en-suite shower room, clothes storage and a dressing table with vanity mirror. The french doors lead out to a beautiful landscaped walled garden which is perfect for direct access to enjoy your morning coffee in the sunshine.

The second kingsize bedroom offers comfortable accommodation with an en-suite shower room and clothes storage for guests use.

There is also a family bathroom on the ground floor, with a bath and over head shower.

A wide staircase leads to a stunning vaulted living space, incorporating a very high quality kitchen with large island unit. There is a Rangemaster cooker, fridge-freezer, dishwasher and microwave. One corner of this vast area is dedicated to a study/library area which is ideal for this of you who may need to work whilst on holiday. The large sofa and armchair are extremely comfortable and the dining area beneath a crystal chandelier offers an elegant space to enjoy your meals. Beautiful views through opening french doors and juliet balcony looking across the garden to the village church are a real bonus at Starlight Cottage. This space features an LED TV. There are many thoughtful touches throughout the house to ensure guests will feel very much at home and we are sure you will want to return!

The beautiful walled garden has just been professionally landscaped with raised beds, box, topiary, lavender and a pretty water feature. There are two outdoor garden sofas and a dining table. The garden is south facing and provides the perfect space to relax with a book or dine al fresco. A garden shed is available to house outdoor gear such as bikes. The property offers 2 dedicated private parking spaces immediately outside the front door.
