

Upper Hall Farm

Upper Hall Farm is a truly magnificent, award-winning country residence that offers opulent comfort for 14 people in seven bedrooms with seven bathrooms. Renovated to a superb standard and beautifully furnished throughout by renowned interior designers Kelling Designs this property is just a few miles from the coast at Blakeney or Wells-next-the-Sea and well placed for visiting all of the delights North Norfolk has to offer. It truly is one of the finest large holiday homes in Norfolk.

Internally the focal point and wonderful feature of the house is the grand entrance hall with galleried landing opening up to the full height of the building. Externally the property sits in landscaped grounds of over an acre with a walled croquet lawn and a separate area with a lawn tennis court. The rural location is magical, surrounded by nothing but fields and far enough away from the nearest town to enjoy the most wonderful ‘dark skies’ at night.

The vast majority of the rooms at Upper Hall Farm are accessed from the magnificent inner hall. There is a fantastic ‘heart of the home’ large open-plan, well-equipped kitchen with a spacious dining area which is opened to the eaves. This wonderful space includes a four oven electric AGA as well as separate electric oven and induction hob, a large Miele fridge freezer as well as a wine cooler and separate integrated drinks fridge making it the perfect house for entertaining. There is also a double dishwasher, microwave, coffee machine and everything else one would expect from a large, high-end holiday home. Leading from the kitchen is a rear hallway which takes us back to the rear parking area, off this hallway, is a large useful larder and separate utility room with washing machine, tumble drier and plenty of storage.

Moving through from the kitchen/dining area is the large, beautifully finished ‘garden room’ with bi-fold doors which open out on to the superb rear grounds and look over the adjoining fields which often have horses in them. This room has been set up as a room to relax and unwind in with but also makes a great space to sit and watch the large Samsung OLED smart T.V with FreeSat. Glass doors join the ‘garden room’ with the formal drawing room luxuriously furnished lovely comfortable soft furnishings and with two sets of French doors one opening to the southern aspect and one out to the west. The focal point of this room is the wonderful large open fireplace meaning on chilly winter evenings this room comes into its own, we can’t think of many spaces more perfect for relaxing with family and friends enjoying glasses of red or mulled wine. This room also features a good-sized Samsung OLED smart T.V which doesn't have FreeSat but can be used for internet TV applications. Another door out from this room takes one back out into the galleried inner hall.

To the front of the house is a ground-floor super-king bedroom suite with its own sitting room and dedicated, newly fitted shower room, making it ideal for guests who prefer not to tackle the stairs.

There is also a useful study at the front of the house which means that should any member of the party need to do a bit of work whilst away there is a space they can tuck themselves away undistracted.

Upstairs, the bedrooms are all accessed from the first floor galleried landing with its wonderful feature, uplit exposed brick and flint walls. The huge master suite has a luxurious super-king size bed, fitted wardrobes and an en-suite bathroom with a wonderful jacuzzi bath and a separate walk-in shower. There are three further large super-king bedrooms on the first floor, all ensuite and two featuring stylish zip and link beds which can be made up as either twins or king-sized doubles on request. There is a smaller bunk bedroom on this floor which also has an en-suite and the bunk bed is full-sized so suited for adults or children. Up another flight of stairs from the landing on to the second floor is the 7th bedroom which is another stylish superking-sized zip and link. This bedroom has a dedicated bathroom next to it featuring a lovely roll-top bath set centrally in the room to make the most of the rural views.
